

BACKGROUND DETAILS :

Sector :	Wholesale & Trade
Industry Overview : <i>(Brief description of the sector)</i>	<p>The Wholesale & Trade (WST) sector comprises more than 34,000 firms that are primarily involved in the B2B transaction of goods across categories, ranging from commodities to industrial and consumer goods. The sector employed more than 325,000 people and contributed close to 12% of Singapore's GDP in 2016. WST encompasses diverse businesses including Machinery and Equipment, Household Goods, Agriculture Materials, Fuels and Chemicals, Transport Equipment.</p> <p>Asia's rapid population growth is expected to spur the region's demand for goods such as food, infrastructure materials, fuel, and smart devices. This will have a positive impact on Singapore's Wholesale Trade sector in the next three to five years. In addition, the WST Industry Transformation Map (ITM) has charted the transformation of Singapore's WST sector to become more relevant and competitive for the future. These developments are expected to inject 10,000 new jobs to the sector by 2020.</p>
